The National Association for Ethnic Studies (NAES) was founded in 1971. NAES has as its basic purpose the promotion of activities and scholarship in the field of ethnic studies. The Association is open to any person or institution. The Association serves as a forum to its members for promoting: research, study, curriculum, design as well as producing publications of interest to the field. NAES also sponsors an annual conference on ethnic studies. *Explorations in Ethnic Studies* is an interdisciplinary journal devoted to the study of ethnicity, ethnic groups, intergroup relations, and the cultural life of ethnic peoples. The journal is refereed and provides a forum for socially responsible research. Contributors to the journal demonstrate the integration of theory and practice.
